FISCAL NOTE

HB 1764 – SB 1985

February 26, 2009

SUMMARY OF BILL: Requires the county sheriff to reimburse a constable at the federal mileage rate when the constable is required to transport a patient with a mental illness to a healthcare facility.

ESTIMATED FISCAL IMPACT:

Decrease Local Expenditures – Net Impact – Not Significant

Assumption:

- According to the County Technical Assistance Service (CTAS), any increase in local expenditures for reimbursing the constable is expected to be offset by a decrease in expenditures from the sheriff no longer providing a car and paying for an officer to be away from the county on the non law enforcement matter of transportation. This legislation is estimated to result in a net decrease in local expenditures of not significant.
